Care & Support

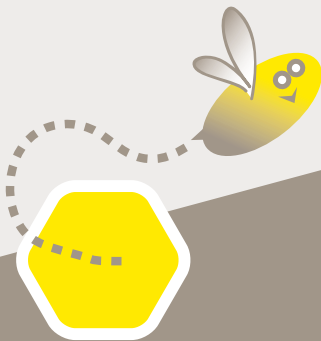

Busy Bee offers a highly supportive care service for all children up to 8 years of age. We understand the pressures of modern living and provide you with total peace of mind that your child is receiving the greatest care possible in an environment that is safe, fun and educational.

supportive care service with a fully qualified teacher, excellent learning opportunities individual social, physical and emotional needs catered for.

We differ from many other nurseries by having a care team lead by a fully qualified teacher. Every day in nursery is carefully planned to ensure your child receives the best learning opportunities whilst providing the individual social, physical and emotional needs of each child.

Free funded places for 3-4 year olds* To find out more and see for yourself what we have to offer your child then please call to arrange a nursery visit. Alternatively visit our website for further information.
