Whether you have screens installed or not, we can provide you with a solution and support that will have you up and running with a Digital Signage system in a day...

Support included;

#### Telephone Support

Working hours telephone support means our experts are always on hand to offer advice. With our support you will find it easy to use, update and maintain the system, ensuring you always get the best from it.

#### Content Updates

We will provide regular content updates and provide you with access to the latest web feeds and content designed for Digital Signage to ensure your system is constantly updated and stays fresh and vibrant.

#### Managed Software Updates

We will manage all the software updates for you and provide training on new features.

#### Regular training and advice

Ensuring your system keeps pace with your changing circumstances and environment.

Signlex  
also provide  
Corporate  
Signage &  
IPTV
