CREATE
THE RIGHT
IMPRESSION

THIS IS YOUR FIRST STEP TO

GREAT SIGNAGE

Your branding is one of the most important aspects of your business and it is **vital** that your corporate signage creates the right impression.

We will work closely with you to offer you an innovative signage solution that is right for your business, along with a stress-free personal service at competitive prices.

One of the many advantages you will find about working with us is that we're not tied to what we produce, for this reason we are completely flexible in what we offer and our service really is to suit your purpose and not ours.

Imagine being able to select the best bits and having a solution that is right for you.

We offer a bespoke and professional total signage solution that is right for you

We have an impressive portfolio under our belt. We are experienced with working across the education, healthcare, hospitality, industry, office and retail sectors, completing both single and multiple site projects. Whatever your requirements, we can fulfil them.

We can help **Designers** by suggesting effective signage that fits with a brand and we can also create prototypes.

We can help **Marketing Teams** by suggesting the best solution to communicate a brand, within a budget.

We can help **Architects** by recommending signage solutions that are complementary to their vision.

We work with some of the largest **Contractors** in the UK and are familiar with the demanding standards and fully comply with Health & Safety requirements.

We will always respect your budget and seek to provide the very best solution for you.

PROJECT EXAMPLES // HOSPITALITY SECTOR

SOME OF OUR PROJECTS

Hotel La Tour

PROJECT DETAILS

One of our most recent innovative signage projects for the hospitality sector was for Hotel la Tour in Birmingham. Hotel La Tour required a series of high level signs to suit its contrasting elevations of white marble and black granite.

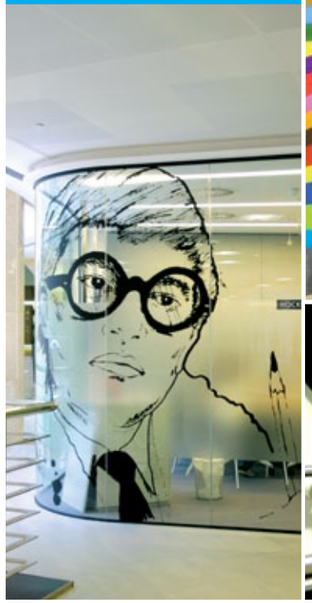
PROJECT EXAMPLES // OFFICE SECTOR



SOME OF OUR PROJECTS

St Mary Axe // Area Sq. Ltd

PROJECT DETAILS

For our clients we have provided a range of signage solutions, from reverse painted toughened glass panels to sign and graphic solutions to complement an amazing grade II listed building.

PROJECT EXAMPLES // RETAIL SECTOR

SOME OF OUR PROJECTS

Ark // AGA

PROJECT DETAILS

We have had a working relationship with AGA for the last 6 years. A number of their stores are in listed buildings so each requires careful design consideration to meet the requirements of local planning authorities. The Ark project required a turnaround of just 3 days, which was no problem for our in-house signage specialists.
