quality results achieved in a timely and effective manner with the utmost professionalism. Our highly experienced staff are able to deliver a wide range of services to suit any project. Principally, we specialise in the construction of roads, car parks and other hard standing areas including any ancillary construction incorporating site preparation, foundations, drainage, kerbing, surfacing, line marking, lighting and other associated packages.

Direct Works Contracts

The direct works division manage enquiries outside of our sub-contracted surfacing operational field. Our experienced staff will carry out all aspects of project administration from concept, through initial site inspection and on-site supervision to successful completion. Our expertise lies in the construction and engineering of car parks,

roads and any other hard-standing areas. In addition to this, ancillary construction and site preparation make up a valuable part of our remit; other associated packages include drainage, foundations, kerbing, line marking and lighting.

Duracourt

Our renowned sports construction division, Duracourt, can boast an extensive, prestigious and satisfied

client history which is testament to our complete pitch, MUGA and tennis construction service.

Doing business with Duracourt means securing a complete quality package, combining a competitive price; the ideal surface and an expert team to advise and install.

Our philosophy is to offer our customers choice - a full range of surfaces; quality - materials and products that are the best of their

type; and durability - a facility that is laid to last.

Our objective is to provide you with a facility of which you can be justly proud while making the whole operation smooth and trouble-free.

An expert sales team is on hand to identify your exact requirements and make you fully aware of all the suitable options available from our broad portfolio.

MULTI-SOLUTIONS FOR SURFACE ENGINEERING

Est. 1976

SINCE BEING FORMED IN 1976 THE SPADE OAK GROUP HAS GROWN AND EVOLVED TO BECOME ONE OF THE LEADING MULTI-SOLUTION SURFACING CONTRACTORS IN THE COUNTRY.

WE OFFER A WIDE SPECTRUM OF SERVICES; ALL DELIVERED TO THE RIGOROUSLY HIGH STANDARDS THAT HAVE EARNED US SUCH A PRESTIGIOUS REPUTATION.

Spade Oak Group's annual turnover now exceeds £34 million. As ever we are committed to investing in quality; with 171 people directly employed and predominantly trained "in-house", a low turnover of staff and retention of skilled labour is ensured.

Expert knowledge lies at the heart of the four divisions, who provide clients with a keen understanding of their needs and

deliver tailor-made solutions. This dedicated approach has widened our industry standing to include developers, consultant engineers, architects and quantity surveyors to our existing client base.

Sub-Contract Surfacing

Spade Oak has been an established name in the 'black top' industry for over thirty years and

are recognised as one of the highest quality surfacing contractors in England. We enjoy excellent business relationships with a long and impressive list of clients from small local builders to multi-national contractors.

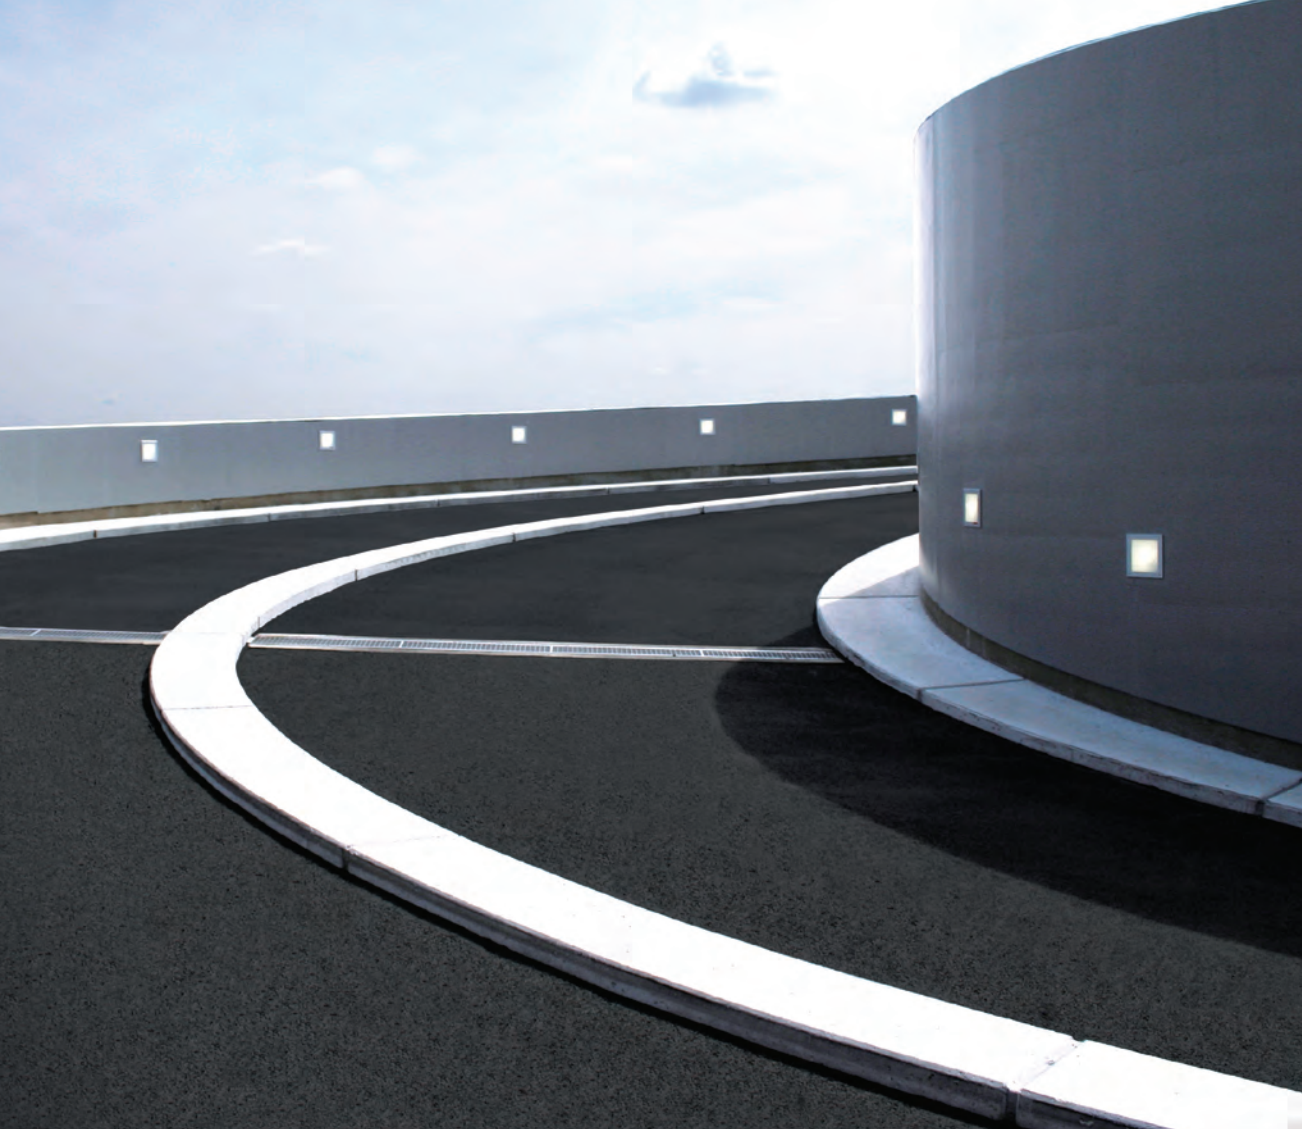

Sub-Contract

We are able to purchase materials at an extremely competitive rate thanks to building up highly beneficial relationships with suppliers; savings we are able to pass on to the customer.

Our directly employed staff and labour are our most valuable assets. It is their dedication to hard work and honest performance that makes us stand head and shoulders above other surfacing contractors.

Sub-Contract Civils

Spade Oak Sub-Contract Civils division has rapidly gained a reputation in the industry for high
